## BRING YOUR OWN DESIGNATED DEVICE (BYODD) - STUDENT AGREEMENT

It is important to ensure that students (and their parents or carers) are aware of and agree to Baulkham Hills North Public School's iPad policy prior to using their own devices in the schools' digital learning environment.

I agree that I will abide by the school's BYODD policy and that:

- I will use the department's Wi-Fi network for learning.
- I will use my device during school activities at the direction of the teacher.
- I will not attach any school-owned equipment to my device without the permission of the school.
- I will not use my iPad during school breaks and/or in the playground without approval from the class teacher.
- I will not use another student's device or let anyone else use the device other than their teacher or parent/carers.
- I will use my own portal/internet log-in details and will never share them with others.
- I will stay safe by not giving my personal information to strangers.
- I will not hack or bypass any hardware and software security implemented by the department or my school.
- I will not use my own device to knowingly search for, link to, access or send anything that is offensive; threatening; abusive or defamatory; or considered to be bullying.
- I will report inappropriate behaviour and inappropriate material to my teacher.
- I understand that my activity on the internet is recorded and that these records may be used in investigations, court proceedings or for other legal reasons.
- I acknowledge that the school cannot be held responsible for any damage to, or theft of my device.
- I understand and have read the limitations of the manufacturer's warranty on my device, both in duration and in coverage.
- I will not take photos or make video or audio recordings of any individual or group, or publish to the Internet and/or social media sites, without the permission of each individual being recorded.
- I have read and will abide by the NSW Department of Education and Communities' *Online Communication Services – Acceptable Usage for School Students*. <https://policies.education.nsw.gov.au/policy-library/policies/pd-2020-0471>
- I will bring my device to school every day, charged with the most up-to-date software and app versions.
- My device will be clearly labelled with a label that cannot be easily removed.
- I will not leave my device unattended and it will be stored in a secure, safe location when used outside of school or during transportation.
- My parent has explained the BYODD Agreement document to me and I agree to comply with the requirements.

*This agreement is to be signed and returned to the school before students will be permitted to use their iPad as a personal learning device whilst at school.*
