President's Report

World Teachers Day

The P&C decided to make this day extra special this year for our wonderful teachers and staff. There are not always occasions for parents to thank teachers and staff for; shaping and nurturing, inspiring and motivating all our children on a daily basis. We wanted to show our appreciation for all the time and effort they put in, over and above their roles, for the benefit of our children.

We provided morning tea with cheese platters and home baked goods in the staff room and a BBQ out in the grass quad under the Jacaranda tree. We gifted plates and cheese knives for the staff room as a small token of our appreciation. The day was genuinely appreciated so this will definitely be an annual event.

Carols by Candlelight

Carols are back!!! It has been about 6 years since our school hosted carols and we have decided to bring back this lovely community event. We look forward to welcoming you all... and our special guest in red.

Save the Date: Saturday December 14th in the evening.
