10. Parent noticeboard

9:00pm

- Was icas discussed at p & c meetings? I am extremely disappointed that it would appear that no parental involvement was asked for or even thought about. Can the school be asked to explain why the ICAS feed are on the expense listing if they had already made the decision not to facilitate ICAS. I have contacted ICAS and their reply was. Please be advised for student participation, refer to the ICAS school coordinator of your child's school. We only accept entries via schools. Therefore it would seem that the school is now preventing us from doing this outside of school also?
- There is a paper copy called Reach that they do. Can the school offer to do this option so that those families that want their kids to practise doing exams can at least have this option now that ICAS has been withdrawn at such short notice?

11. Finish

Presidents Report 210519

We are smack bang in the middle of fundraising season!

More Election Day BBQ success... what a turnout! The P&C BBQ, cake stall and raffles made approx. \$6,200 for playground upgrades! That is over \$10k from the two Election Day BBQs. What a fabulous effort. Thank you to the 25 parents that volunteered on the day. Some were there for 10 HOURS! We had about 10 very vocal students selling raffle tickets. Also thank you to all the parents and grandparents that baked for the cake stall. From cup cakes to brownies, slices and even the old fashioned toffee and classic toffee apples! What an abundance of treats and the voters loved it all!

Thank you to our major sponsor, IGA Mint Fresh at Baker St. Richard supplied all the sausages, eggs and bread. Please thank him by visiting his store.

Thank you to our other sponsor, Event Cinemas. They supplied popcorn for the cake stall and many of the raffle prizes.

Also thank you to BWS for wine donations and Flipout & Strike Bowling for vouchers.

Colour Explosion Run 4 Fun is our major fundraiser for the year. There has been a huge amount of work behind the scenes getting this event off the ground. We encourage all parents to set up their children's fundraising pages online ASAP and forward the links to family and friends both here and abroad. There is an abundance of prizes students can win from raising as little as \$10.

ALL students will receive a rainbow headband and icy pole on the day. The event will start with pre colour activities on the council oval and then head into the colour run, finishing on the tennis courts. There is so much excitement already from the students (and teachers!). Let's keep the buzz going and smash this fundraiser! Our kids desperately need a playground upgrade and this is what we will give them!

Alison Mackey

P&C President

Uniform Shop Report 19/5/19

The Uniform Shop gratefully and warmly welcomes 2 new volunteers. Mel Kerin and Jodie Baker. We now have a very stable team Mon and Fri, generally more than 3 people on at a time, frequently 5 on Friday. Even so, due to peak time demands, volunteers are still feeling stressed out. The shop has seen huge lines every time we open, since it opened Term 2.

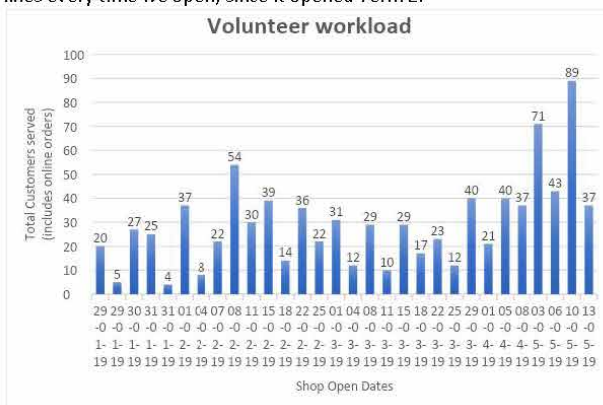

Figure 1 Bar graph showing significant increase customer traffic starting Term 2

These volunteers are also frequently seen in other school activities. Their dedication to the shop and time volunteered made the uniform shop hours consistent this year. It is not something to be taken for granted. I would like to thank them for just been the greatest of people.

The shop has rolled out Winter kindy pack 28/3 via Signmee (sent only to Kindy parents) and 9/4 in newsletters. We've had 23 orders of Kindy Pack online. Due to our system, I am unable to get numbers for in-store sells, but it seemed to be selling well.

Figure 2 Chart Showing majority of sales from online and eftpos

Thanks to P&C, the shop now has reliable internet access, through the school's internet network. This is essential for our customer service through email access and online orders (which comprises over a third of all sales). The shop also thanks the school for allowing us to use their internet, space, water and electricity. We are thankful for their support and cultivation of a positive relationship. Olivia Chan

Principal's Report – P&C Meeting
21 May 2019

Business Arising

Update on crossing supervisor applications.

Acronyms and abbreviations to be tabled for members.

Guest internet access for the Uniform Shop completed and repair of sink logged with FM Web.

General Report

- 1) Big thank you for the election day BBQ and cake stall – huge success
- 2) Need to secure parent reps for merit selection panels – immediate need for one parent on a panel that Clare Brett is convening. Need for another rep in next couple of weeks.
- 3) Ask that all requests for school actions go to Baulkham Hills North email account. It will then be delegated to the appropriate person for action.
- 4) Change to crossing supervision – need to work with P&C about options until crossing supervisors installed. Signmee Phone Survey Feedback – quick overview of community comments to be presented
- 5) Playground Upgrade Update: Grant submitted to DoE for 2nd stage of wall area 1:1 funding School to commence building the Bush Tucker garden – Project Group of students and architects formed.
Meeting with Assets management on 20 May – will provide verbal report of outcome
Submitted Community Building Partnership Grant for Shepherds Lane Entry - \$98,000 approx.
Awning shelters over Kiss and Drop and Bus waiting areas being installed soon.
- 6) Re-Imagining Project – Flexible Learning Space Furniture Ordered – being delivered early June. Implementation of BYODD program gone well – wish to commence consultations with P&C about expanding this program in 2020. iTeacher presenting tomorrow to students, staff and parents.
- 7) Principal's Forum next week – Growth Mindsets/Learning Dispositions and opportunity to ask operational questions.
