

BEE Yourself Mural Questionnaire

School Club wants you to have fun with the mural in the Grass Quad and maybe find out about some of the things on the mural.

Use the QR codes to help!

1. Is the mural set in Antarctica, Austria or Australia or somewhere else?
2. Do blue bees really exist?
3. If so, what are they called?
4. Where do you think you would find blue bees?
5. Are there other types of blue bees?
6. Do blue bees sting?
7. What happens to the bees after they sting you?
8. What is carried on the bee's legs?
9. Why are bees so very important?
10. Which Australian state flowers are represented on the mural?
11. Can you name the flower and its state?
12. Can you name the landmark?

We hope you enjoy the mural as much as we enjoyed painting it.

If you're interested in painting let us know!

Enjoy, School Club
